

Current vs. Proficient, the Value of Recurrent Training

This presentation will examine the concepts of remaining current versus staying proficient. They are not the same! Accident and incident reports reveal that many pilots were current when their unfortunate events happened. Many of these events could have been avoided with a tailored recurrent training program. Have you developed yours?

Directions: West Houston Airport Terminal Building Upstairs

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
